

# MINATION MADE IN 447TH BALLOT

Faison Named for Congress  
Third North Carolina  
District.

## MAN LEADS IN FIFTH

Representatives Pou, in Fourth,  
and Small, in First, With-  
out Opposition.

(Special to The Times-Dispatch.)  
Rich, N. C., July 6.—Dr. John M.  
of Warsaw, Duplin county, to-  
day nominated for Congress by the  
Faison convention at Edenton, the  
third North Carolina District. The con-  
vention was held at Goldsboro, Wed-  
nesday, the nomination being on  
the 447th ballot, after an all-  
day session. There were five candi-  
dates in the race, one of them the  
Congressman, Charles Faison.

Dr. Faison is sixty years old and is a prac-  
titioner. While active in politi-  
cians has never held office. His  
brother, John H. Small was nomi-  
nated to-day as a representative  
for Congress by the Demo-  
cratic convention at Edenton, of the  
North Carolina District.

Fourth Congressional District  
this afternoon unanimously nomi-  
nated Hon. Edward W. Pou for  
house of Representatives. It was  
thrust upon the convention that ten-  
dency to nominate a representative  
after the nomination, when  
he appeared to make his opening  
for the campaign. He charged the  
Republican party has assumed  
violent demand that their party  
in this State be not discussed.

On the other hand, he called for a  
full scrutiny of the Federal and  
all Democratic administration.  
Republicans are, he declared,  
ing for another chance on the  
that the party is better now, than  
different from what it was when  
in power in this State before.

He said that the party is better  
now, than it was when it was in  
power in this State before. He  
said that the party is better now,  
than it was when it was in power  
in this State before.

After reviewing national issues,  
he said there is no mistaking the  
tendency of Democratic control of the  
next Congress.

At 6 o'clock to-night, the Fifth  
district Congressional Convention, at  
Goldsboro, is still in a deadlock,  
with a leading candidate, who  
is stronger than on the first bal-  
lot, may be in session again all  
night, as adherents of each of the  
candidates show no signs of com-  
promise.

Valuable Collection.  
There has just come into the posses-  
sion of the North Carolina Historical  
mission a large and valuable col-  
lection of letters and documents of the  
Mrs. Cornelia Phillips Spencer, or  
of "The Last Ninety Days of  
Washington in North Carolina." They  
were sent to the commission by Mrs.  
J. L. Love, of Cambridge, Mass.,  
daughter of Mrs. Spencer, and the  
collection contains numerous letters to  
Spencer from Governor Swain,  
Governor Vance, Governor Graham,  
Governor Turner, Hannibal Taylor and  
also many letters written by Mrs.  
Spencer herself.

It is an interesting fact that Mrs.  
Spencer was very instrumental in the  
winning of the University of North  
Carolina after the war, and this col-  
lection contains many documents and  
a flood of light that is most im-  
portant feature of the history of the  
movement of companies consti-  
tuting the Third Regiment of the  
North Carolina National Guard for  
military regimental campment at  
Glenn, Morehead, began to-  
day, and the camp will be in full  
operation to-morrow to continue for ten  
days.

J. N. Craig, of Raleigh, is  
in command, and Adjutant  
General F. R. L. Lelander, of  
Raleigh, is in charge of the  
company. The companies  
comprising the regiment are: Raleigh,  
Henderson, Lenoir, Orange,  
Franklin, Rutherford, Warren,  
Burlington, Weldon (excused),  
Nashville, Durham, Hospital Corps,  
Greenville and the band, Raleigh.  
The committee representing the board  
of trustees of the North Carolina Col-  
lege of Agriculture and Mechanic  
is here inspecting the books and  
accounts of the college. Thomas W.  
Shelby, of Washington, O., Max Gar-  
shelby, of Washington, O., and Walter  
Daniel, of Washington, O., will con-  
stitute the committee.

year as to railroads next year being  
the time for general reassessment.  
The corporations are required to file  
certified reports on which the assess-

derstood that a large number of these  
have not yet filed these reports, al-  
though a very large per cent. have  
been reasonably prompt. Urgent calls  
are being made on the delinquents to  
get in these reports without further  
delay.

Progress in Construction Work.  
[Special to The Times-Dispatch.]  
Spencer, N. C., July 6.—Work on the  
construction of the Southbound Rail-  
road, running from Winston-Salem to  
Wadesboro, is progressing rapidly, and  
a large force of men is now employed  
at Fairmount, near Spencer. Track  
has been laid from Lexington to this  
place, and work trains are being op-  
erated a distance of twelve miles. It  
is expected that regular trains will be  
running from Winston to Wadesboro  
within ninety days.

Bridge Builder Instantly Killed.

Clarksville, Va., July 6.—John W.  
Johnson, of Nashville, Tenn., a fore-  
man of the American Bridge Company,  
engaged in the construction of a steel  
bridge at this place, was instantly  
killed by being struck on the head by  
a large piece of iron jarred loose from  
an elevation by a passing train.

## FOX HUNTERS TO GET FINE CHANCE

Brooker Chenault Has Caught and  
Caged the Whole Reynard  
Family.

Many Richmond fox hunters will  
doubtless accept the invitation to go  
to Enfield this fall and chase the ruddy  
sexette of foxes that Brooker Chenault  
will have there ready for them.  
Brooker is said to be the champion  
fox hunter in the Old Dominion, and  
he succeeded in defending his title the  
other day at Richmond, where he caught  
six at one swoop. Now he will pen  
them up until the leaves turn color,  
and then the sports will go after them  
hot and fast. His friends in Richmond,  
who look to him gratefully as the savior  
of many a spring chicken and  
valued hen, say he is saving the foxes  
just for the Richmond sports.

Here is what Brooker's friends have  
to say about the Sherlock Holmes of  
the fox family. They write: "Nothing  
goes hungry from the hospitable home  
of Frank Fox, a prosperous farmer of  
the Richmond neighborhood, but the  
foxes in the low grounds of the  
Mattaponi are very numerous and de-  
structive, making three square meals  
a day on its wife's fine fat chickens, on  
the sly. So he sent for Brooker Chenault,  
an expert fox-catcher, to come  
down to the neighborhood and try  
to capture them. Brooker came and  
soon traced them to their hole, where  
he captured the mother, a fine gray,  
and five good sized baby foxes alive.  
He is raising the whole bunch of bushy  
tails, and will have much sport this  
fall."

Probably there won't be any ex-  
cessively gowned women there to pour  
tea when the hunt is over, but those  
who go will probably take some "gen-  
tlemen's Kentucky Tea" as they call  
it in the North Carolina grocery  
stores. Those six foxes will probably  
furnish much real old-time sport to  
the fox-chasing folks around here.

## S.S.S. PERMANENTLY HEALS SORES AND ULCERS

No matter in what way an old sore or ulcer first commenced, whether  
from a wound, cut, or bruise, or from the ulceration of a pimple, wart or  
hole, or even if it came without apparent reason, the fact that it does  
not heal shows that bad blood is back of the place. While the cir-  
culation remains impure and polluted the nerves and tissues of the flesh  
around the place are constantly being fed with unhealthy matter and  
the fibres are thus prevented from knitting together and healing. Purify  
the blood and the place MUST heal, its cause having been removed. S. S. S.  
cures old sores and chronic ulcers because it is the greatest of all blood  
purifiers. It cleanses and removes from the circulation every taint or  
impurity, and so enriches the blood that it feeds and nourishes the tender,  
sensitive flesh, causes a knitting together of all fibrous tissue and thus heals  
the place entirely; it works on the simple principle of curing by removing  
the impurities which produce the trouble. Book on Sores and Ulcers and  
any medical advice free.

### CHILD FALLS TWO STORIES

Poor Children of City Given Out-  
ing by Salvation  
Army.

Times-Dispatch Bureau.  
109 North Spicamore Street,  
Petersburg, Va., July 6.

The new Petersburg baseball team  
will play a double-header against Dan-  
ville on Friday afternoon on the park  
at the Country Club. This park will  
be used by the league teams tempo-  
rarily until one nearer the city can be  
established, for which negotiations are  
now in progress. It is understood that  
the Virginia Railway and Passenger  
Company will liberally assist in the  
establishment of the new park.

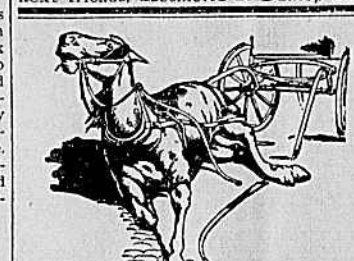

On Monday afternoon the Petersburg  
and Richmond teams will match skill  
at the Riverside Club, and it is stated  
that a large number of Richmond fans  
will come over to root for their home  
club. Petersburg will be under the  
management of an experienced and  
enthusiastic baseball man who will  
show pride in the work of his team,  
and who, with plenty of backing, will  
perfect its organization.

Child Falls Two Stories.  
Little Rebekah, the two-year-old  
daughter of Mr. and Mrs. David Gil-  
liam, had a narrow escape from death  
or serious injury last evening, in at-  
tempting to climb upon the sill of a  
window in the second story of the  
home on Franklin Street, the child fell  
out to the ground below, a distance of  
twenty feet or more. She escaped  
without a broken bone or a serious  
hurt of any kind, receiving only trifling  
bruises. She is about and appar-  
ently well this morning.

Highwayman Sent to Jail.  
Albert Walker (negro), said to be  
from Pittsburgh, Pa., was sent to jail  
this morning to await trial at the next  
term of the Hustings Court for high-  
way assault and robbery. His victim  
was John Goodwin, an elderly and  
worthy colored man, who was also most  
beaten to death, and who is just able  
to leave the hospital. Goodwin was  
beaten into insensibility with a heavy  
rock and then robbed of a gold watch  
and \$16 in money, both of which were  
recovered. Goodwin positively identi-  
fied his assailant in court.

Two Small Morning Fires.  
The Fire Department was called out  
to two alarms this morning—first, be-  
tween 2 and 3 o'clock by the burning  
of the kitchen on the premises of Ben-  
jamin Andrews, on West High Street.  
The building was damaged to the ex-  
tent of about \$100, but adjacent prop-  
erty was saved from injury. About 7  
o'clock a dwelling occupied by colored  
families on Grace Street, near Mt. Airy  
shops, caught fire from a defective fuse  
and was badly damaged before the  
flames could be extinguished.

Enjoyable Outing.  
A delightful outing was given to a  
large number of poor children of the  
city to-day by the Salvation Army, to  
the enjoyment of which a number of  
prominent and kind-hearted citizens  
contributed very materially. The chil-

BUCEPHALAS IS SET FREE;  
SO GILES DIDN'T MATTER

Trial About to End With Newly Discovered Evi-  
dence When Foreman Snellings Declared  
Verdict Was Writ.

That the average Virginia juror loves  
fair play, fair fights and general fair-  
ness was demonstrated beyond the  
shadow of a peradventure in the Hust-  
ings Court yesterday when William P.  
Snellings, war veteran, connoisseur and  
gall general wherever men are con-  
cerned, announced the opinion of the  
jury in the case of Bucephalas Jones  
and John Henry Corbin.

In the due process of events Buce-  
phalas had been driven to the wall by  
the taunts of John Henry, and in fur-  
thering those events with a quick eye  
and a ready razor, he had carved quite  
a slice of the meat from John Henry's  
classic profile. In fact, John Henry's  
outward appearance, so far as his  
countenance was concerned, looked  
more like a railroad map of Illinois  
than anything else that can be men-  
tioned on the spur of the moment.

Then again in the due process of the  
law Bucephalas was indicted by twelve  
good men and true on the charge of  
maliciously wounding John Henry. Of  
course, Bucephalas was slightly peeved  
about the matter, but he had an abid-  
ing faith in the Virginia juror, and  
took his wait in the Chateau Satter-  
field with some composure.

Incidentally, it may be remarked  
that Bucephalas was pushed to the  
wall before he pulled the razor and  
had to fight or be fought, which means  
that he had either to cure or be cut. The  
fight was fair and the only reason that  
John Henry was carved was because  
Bucephalas was quicker of hand and  
eye and pulled first.

him down, and he went under the ma-

him. He was pulled out somewhat  
bruised, and assisted into the hotel

young Abernathy is not seriously hurt.
